

Have chronic plaque psoriasis?

Volunteers age 18 years and older with chronic plaque psoriasis are needed for a research study evaluating the effectiveness of a new oral medication.

What do volunteers do?

- Twelve visits to Penn State Milton S. Hershey Medical Center
- Take oral medication two times a day
- Compensation is provided for time and travel.

For more information:

Amy Longenecker, R.N., C.C.R.C., at 717-531-5136

Study director:

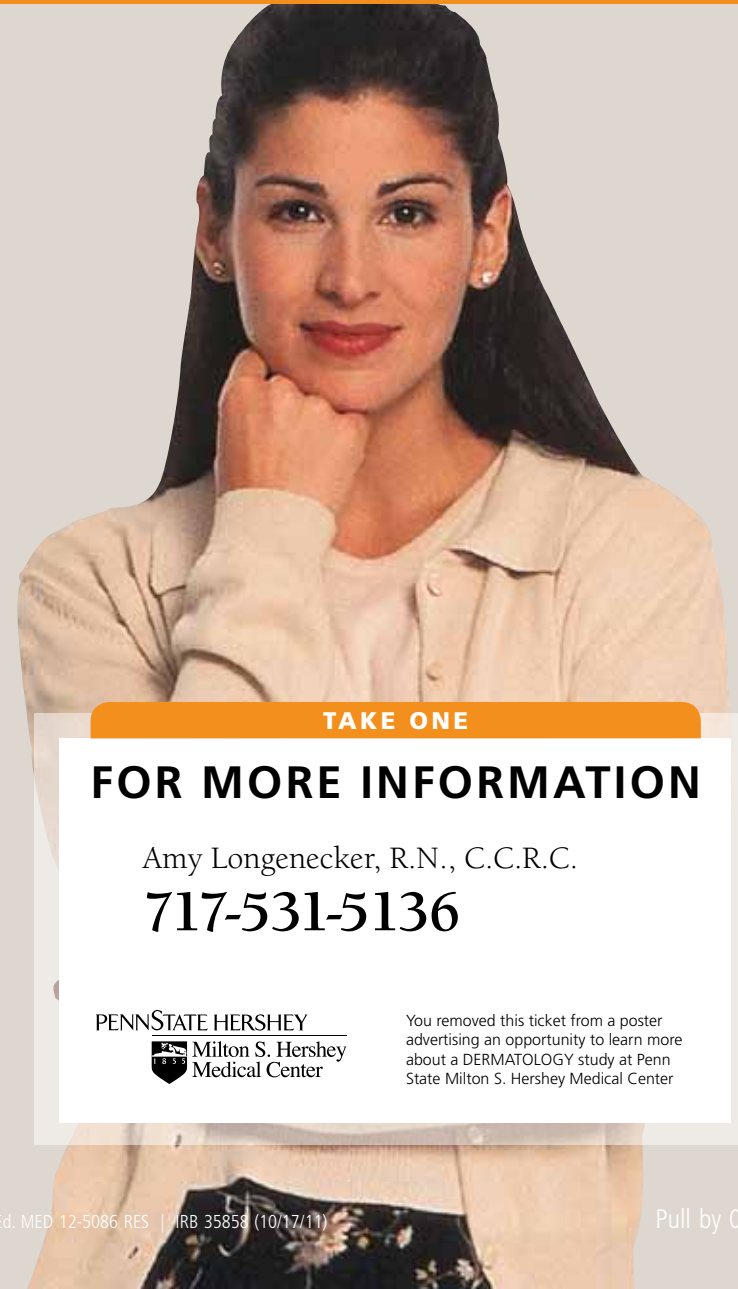

David Adams, M.D.
