

PennState Health

Milton S. Hershey Medical Center

“How do I get to... NMR Research Building?”

- From the main entrance to Penn State Hershey on Rt. 322 (Governor Road), follow University Drive.
- Bear right onto Campus Drive; follow signs to Biomedical Research Bldg.
- Follow Campus Drive around the campus; you will pass the University Fitness and Conference Center on your right.
- After these buildings, turn left onto Campus Drive.
- Turn right onto Long Lane, then bear left into the NMR parking lot.
- Patients and current study participants: please park in Patient Parking (the first two designated slots), and use entrance on right side of the building.
- Visitors: please park in a non-patient spot and check in with secretary at the entrance on the left side of the building.
