

**Consent for Romidepsin (Istodax®)**

Condition for Which Treatment is proposed: \_\_\_\_\_

1. I hereby authorize my physician, Dr \_\_\_\_\_, and/or such other staff physicians or resident physicians as my physician may designate, to administer to me (or the patient for whom I consent) the following treatment consisting of:

**Romidepsin (Istodax®)**

**The plan for my course of treatment is for \_\_\_\_\_ months of therapy.**

2. My physician has discussed with me the items that are briefly summarized below:
- (1) The nature and purpose of the proposed therapy is to administer therapy (drugs to fight my cancer, which may also have other effects on my body) by mouth and/or by vein or by other type of injection.
  - (2) It is unknown what effects this therapy may have on an unborn child in a pregnant woman, or any impact on your ability to have children in the future. For pregnant women, it is expected that there would be harm to the unborn child with this therapy. Please notify your doctor if you think you may be pregnant. It is important that both men and women who are being treated with these therapies and who are sexually active, fertile, and who have a fertile partner use a reliable form of birth control (birth control pills, a reliable barrier method or a hormonal implant.)

**The specific side-effects of Romidepsin (Istodax®) include:**

Most Common (>10%):

- Itching of your skin, skin irritation
- Diarrhea
- Constipation
- Nausea/Vomiting
- Taste changes
- Abdominal pain
- Fatigue
- Headache
- Fever
- Chills
- Increased risk for infection
- Low blood calcium level
- High blood sugar
- Low blood pressure
- Cough
- Shortness of breath

- Weakness
- Elevated blood liver function tests
- Low blood counts (white blood cells, red blood cells, and platelets)

Less Common (1-10%):

- Fluid retention
- Increased heart rate
- Chest pain
- Irregular heart rhythm
- Dehydration
- Mouth Sores
- Neutropenic Fever
- Pneumonia
- Blood clot in lung
- Sepsis
- Hypersensitivity

Rare but Serious (<1%)

- Acute kidney failure
- Heart failure
- Septic shock
- Irregular heart rhythm

- The medically reasonable alternative treatments and the risks associated with these alternative treatments have been described by my physician. These alternatives include no treatment, combinations of different therapy drugs, or the same drugs given in different doses or on a different schedule.
- Without the proposed treatment, my disease may progress; it could remain stable or, rarely, improve.
- I understand that during the course of this treatment, unforeseen conditions may arise which could require the planned therapy to be altered. All alterations to the planned therapy will be discussed with me.
- I am aware that the practice of medicine is not an exact science, and I acknowledge that no guarantees have been made to me concerning the results of the proposed therapy.
- I acknowledge that the information I have received, as summarized on this form, is sufficient for me to consent to and authorize the therapy described above. I have had the opportunity to ask questions concerning my condition, the therapy, the alternatives and risks, and all questions have been answered to my satisfaction.
- I impose the following limitation(s) regarding my treatment (if none, so state): \_\_\_\_\_  
\_\_\_\_\_
- I authorize the staff of The Milton S. Hershey Medical Center to preserve for scientific or teaching purposes any tissues or parts which may be removed in the course of this procedure, and to dispose of them.
- I authorize the Milton S. Hershey Medical Center to permit other persons to observe this procedure

with the understanding that such observation is for the purpose of advancing medical knowledge. I authorize The Milton S. Hershey Medical Center to obtain photographic or other pictorial representations of this procedure, and to use such representations for scientific or teaching purposes.

11. I certify that all blanks requiring insertion of information were completed before I signed this consent form.

\_\_\_\_\_ provided the information summarized above and obtained the  
(Fill in name) consent for the procedure
