

CONNECTING THE DOTS: Navigating Autism Resources for your Child

Led by Cheryl Tierney, M.D., M.P.H., Penn State Hershey Children's Hospital

Saturday, April 27, 2013
9:00 a.m.-2:00 p.m. (light lunch provided)

Having a child with an autism spectrum disorder is hard enough. We can help you understand and navigate the resources.

Your child deserves the best chance at success. Our experts are prepared to arm you with the resources you need. Learn what is available to help your child achieve his or her developmental potential. You will walk away understanding the purpose of a collaborative, evidence-based treatment team that helps to promote the development of your child.

There is no cost to participate in this event.

WHO SHOULD ATTEND:

- Parents whose young children have been recently diagnosed with an autism spectrum disorder
- Professionals who work with children with an autism spectrum disorder

WHERE:

University Conference Center, Room 302 Penn State Milton S Hershey Medical Center campus 500 University Drive, Hershey PA

For a complete listing of presenters and topics, visit online at **PennStateHershey.org/childrens**

Registration is required: 1-800-243-1455 (by April 15)
